

STUDENT PARKING 2023-2024

All 11th and 12th grade students who wish to drive to school this year will be required to apply for and purchase an annual parking permit for \$30.00.

Parking permits will be available for purchase in the office. Students will be assigned to a specific parking space. Parking will be based on a first come first serve basis.

Enclosed is a Parking Permit Registration form. The registration form must be completed (with all required signatures) and returned at the time of vehicle registration. A copy of each student's FLORIDA driver's license will be made at registration. (Learner permits **cannot** be used to register for student parking.)

Due to the increased demand for parking and the limited amount of spaces available, we always have a waiting list. Students reaching driving age during school year, can be put on the waiting list (cannot guarantee a spot). Driving privilege can be revoked for behavior and attendance issues.

1. More than 10 unexcused absences per semester
2. More than 15 unexcused absences, automatically reported to DMV
3. More than 10 unexcused tardies per semester
4. Out of school suspension- loss of driving privileges till further notice
5. More than 3 in school suspension days will result in no driving for a week, continued ISS will lead to longer suspension
6. Must park in assigned spot and have parking tag visible in front of car (5 violations lead to a week suspension)

All students must turn their parking permit tag (or pay \$10) into Ms. Ferrara by their last day of school.
