**We would like to introduce you to THE NEW OHS Booster Club.** Established in 2016, The Oasis High School Booster Club is a non-profit organization made up of action oriented parents, volunteers, and administrators. Through dedication and teamwork we support the enhancement of the athletic experience of Oasis High School student-athletes, and community awareness of their athletic and academic achievements. The mission of Oasis High School is to **empower students** to be strong, responsible leaders who value personal integrity, academic excellence, and civic involvement. This Booster Club supports all student-athletes and teams of Oasis High School. Our goal and objectives are to provide supplemental funding for all student-athletes participating in one or more of our **Nineteen teams**. We are confident through your support; the full needs of our student-athletes will be met. The Boosters are only able to provide this support through memberships, fundraisers, and corporate sponsorships. By joining you will become part of a dedicated group of individuals who are making a difference by investing in our school, our community, and our futures.
