Dear Oasis Parents and Guardians,
Florida State Statute 1012.42 recognizes that teachers at times must be assigned duties in a class outside the field in which the teacher is certified. The following teachers at Oasis High School are certified to teach, or eligible for certification, but may be assigned one or more classes outside their areas of certification. Please be assured that all teachers at Oasis High School are taking the appropriate steps to comply with the statutory regulations. We appreciate your understanding and continued support; you may contact the school if you have any questions.
